Dear Shareholder,

1. INTRODUCTION

I am pleased to be writing to you with details of our Annual General Meeting which we are holding at Head Office, Infoserve Group plc, South Side Aviation, Leeds Bradford International Airport, Leeds, LS19 7UG on 29 September 2020 at 10.00 a.m. The formal notice of Annual General Meeting is set out on pages 6 to 8 of this document.

The purpose of this letter is to provide Shareholders with details of, the background to and reasons for, the resolutions to be proposed at the AGM, to explain why the Board believes that the passing of the Resolutions is in the best interests of Infoserve and the Shareholders as a whole and to recommend that Shareholders vote in favour of the Resolutions. The Resolutions to be proposed at the AGM include, amongst other things, authority for the Directors to allot new Ordinary Shares and to disapply statutory pre-emption rights on the allotment of new Ordinary Shares.

If you would like to vote on the Resolutions please complete the Form of Proxy and return it as soon as possible to the Company Secretary at Infoserve Group plc, South Side Aviation, Leeds Bradford International Airport, Leeds, LS19 7UG. The Company must receive the completed Form of Proxy by 10.00 a.m. on 28 September 2020 for it to be valid.

Due to the impact of coronavirus (Covid-19) and the restrictions in place, shareholders are not permitted to attend the meeting and should complete the Form of Proxy available appointing the "Chair of the meeting" as their proxy.

2. BUSINESS TO BE TRANSACTED AT THE AGM

Details of the resolutions which are to be proposed at the Annual General Meeting are set out below.

Ordinary Business

Resolution 1: Annual Report 2020

The business of the Annual General Meeting will begin with a resolution to lay before members the Annual Report in respect of the year ended 31 March 2020 (the "Annual Report 2020").

Resolutions 2: Re-election of Directors

In line with the Company's current Articles of Association, any Director who held office at the time of the two preceding annual general meetings and who did not retire at either of them must retire by rotation, and, therefore, Derek Oliver will retire and stand for re-election.

A brief biographical detail of the Director standing for re-election is contained in Note 11 in the notes to the Notice of AGM on page 8 of this document.

Resolution 3: Re-appointment of auditors

Shareholders will be asked to confirm the re-appointment of Saffery Champness LLP as the Company's auditors to hold office until the conclusion of the next annual general meeting and to grant authority to

the Directors to determine the auditors' remuneration.

Special Business

Resolution 4: Grant of authority to the Directors to allot Ordinary Shares

This is proposed as an ordinary resolution. At last year's annual general meeting of the Company, Shareholders passed a resolution giving the Directors authority to allot Ordinary Shares. That power expires following the conclusion of the Annual General Meeting therefore the Directors propose that the relevant authority is renewed at the Annual General Meeting and, accordingly, have proposed resolution 4 in the Notice of Annual General Meeting to do this.

The Directors wish to put in place general authorities which will enable them to allot and issue further Ordinary Shares as part of any equity fundraising which the Company may carry out. Pursuant to Resolution 4, it is proposed that the Directors be authorised to allot Ordinary Shares up to a maximum nominal value of £984,558 (representing 19,691,147 Ordinary Shares) which is approximately equal to 33.33 per cent of the Company's issued share capital and share capital in respect of which options or other rights to subscribe for Ordinary Shares have been granted as at 31 August 2020 (being the latest practicable date prior to publication of this document).

The Directors currently intend only to make use of this authority: (a) in connection with the grant of options to directors and employees of the Company and the Company's group; (b) potentially for use as consideration in connection with any acquisitions of companies or businesses which the Company may wish to make; (c) in order to raise funds through subscriptions for new shares in order to finance any such acquisitions or otherwise as may be necessary to satisfy the working capital requirements of the Company's group of companies.

This renewed authority would expire at the conclusion of next year's annual general meeting.

Resolution 5: Disapplication of statutory pre-emption rights on allotment of shares

This is proposed as a special resolution, and is subject to Resolution 4 having been passed by the requisite majority.

If the Directors wish to allot unissued shares or other equity securities for cash, the Companies Act 2006 requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holdings. At the Annual General Meeting of the Company held last year, shareholders passed a special resolution giving the Directors authority to allot equity securities for cash, without first being required to offer such securities to existing shareholders, by the limited disapplication of Section 561 of the Companies Act 2006. That power expires following the conclusion of the Annual General Meeting therefore the Directors propose that the relevant authority is renewed and increased at the Annual General Meeting and, accordingly, have proposed resolution 5 in the Notice of Annual General Meeting to do this.

As set out in relation to Resolution 4 above, the Directors wish to put in place general authorities which will enable them to allot and issue further Ordinary Shares as part of any equity fundraising which the Company may carry out. Pursuant to Resolution 5, the Directors are seeking authority to allot equity securities up to a maximum aggregate nominal value of £500,000 (representing 10,000,000 Ordinary Shares which would constitute approximately 16.9 per cent. of the issued share capital of the Company and share capital in respect of which options or other rights to subscribe for Ordinary Shares have been granted as at 31 August 2020) without first offering the securities to existing shareholders. The total number of Ordinary Shares in issue as at 01 September 2020 (being the latest practicable date prior to the publication of this document) is 59,073,441. The proposed resolution also disapplies the statutory pre-emption provisions in connection with a rights issue and allows the Directors, in the case of a rights issue, to make arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

The Directors have no immediate plans to make use of this authority other than for the reasons set out above. This authority would expire at the conclusion of next year's annual general meeting.

3. ANNUAL GENERAL MEETING

On pages 6 to 8 of this document there is a notice convening the Annual General Meeting to be held at Head Office, Infoserve Group plc, South Side Aviation, Leeds Bradford International Airport, Leeds, LS19 7UG at 10.00 a.m. on 29 September 2020.

4. ACTION TO BE TAKEN

Due to the impact of coronavirus (Covid-19) and the restrictions in place, shareholders are not permitted to attend the meeting but you are entitled to appoint the Chair of the meeting as your proxy who will attend and vote at the Annual General Meeting on your behalf. You will find enclosed with this document a Form of Proxy for use in connection with the Annual General Meeting. You are requested to complete and return the Form of Proxy to the Company at its registered office, South Side Aviation, Leeds Bradford International Airport, Leeds, LS19 7UG as soon as possible and, in any event, so as to be received no later than 10.00 a.m. on 28 September 2020.

5. RECOMMENDATION

The Directors consider the resolutions to be proposed at the Annual General Meeting to be in the best interests of the Company and its members as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of all of the resolutions to be proposed at the Annual General Meeting, as the Directors intend to do in respect of their own beneficial holdings, being 53,618,412 Ordinary Shares, representing approximately 90.8 per cent of the Company's existing issued ordinary share capital as at 01 September 2020 (being the latest practicable date prior to publication of this document).

Yours faithfully,

**ANDREW THIRKILL
CHAIRMAN**

**INFOSERVE GROUP PLC
(THE “COMPANY”)**

 - (a) in connection with an offer of such securities by way of rights issue or other issues in favour of holders of Ordinary Shares in the Company where the equity securities respectively attributed to the interests of all such holders are proportionate (as nearly as may be practical) to their respective holdings of Ordinary Shares (but subject to such exclusion or other arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements or any legal or practical problems under the laws or the requirements of any regulatory body or any stock exchange in any territory or otherwise howsoever); and

- (b) otherwise than pursuant to sub-paragraph (a) above, up to an aggregate nominal amount of £500,000;

and this power, unless renewed, shall expire at the end of the next Annual General Meeting of the Company but shall extend to the making, before such expiry, of an offer or agreement which would or might require an allotment of equity securities in pursuance of such offer or agreement as if the authority conferred hereby had not expired.
